## 1. INTRODUCTION

This institution was established on August 16, 1989. Now the institution runs three undergraduate programmes and eleven postgraduate programmes and one postgraduate diploma programme. The institution runs in its permanent buildings. It has a library and a girl's hostel also. Presently, the Principal post is vacant from March 2023. Dr. B.S. Chhabra was the Principal of this institution till February 2023. At present, Dr. Shobha Srivastava is the in-charge Principal. The institution is affiliated to the Hemchand Yadav Vishwavidyalaya, Durg (Chhattisgarh). The institution is registered in the AISHE (All India Survey on Higher Education). College code is C-21675. The institution's UGC Code is 202013. The institution is affiliated to 2(f) and 12-B from the UGC. This college has gone through the second cycle of the NAAC evaluation. The institution is accredited with CGPA of 1.82 on the four-point scale at "C" Grade valid up to September 19, 2026.

The institution is increasing rapidly in the sense of student's enrolment, infrastructure facilities and academic programmes. In the current session 2022-23, eight new class-rooms including one lab has been constructed and one degree program in B.Sc. (Physics, Mathematics and Geography) is introduced, From the next session 2023-24, four new programmes, e.g., M.A in English, MSW (Master of Social work), BCA (Bachelor of Computer Application) and DCA (Diploma in Computer Application) will be functioning. On the other hand, in the infrastructure sector, four new constructions namely, three- floor Science Block, Library Extension building, Sports Zim and four-block Staff Quarter are under construction.

### 1.1- College Vision, Mission and Core Values

#### VISION

"To empower the Common rural students through quality education to meet global challenges"

#### MISSION

- To improve quality education to all irrespective of caste, creed, religion and socio-economic status and to uplift the society as a whole;
- To maintain excellent academic standard through innovative and effective teaching-learning methods;
- To mould the students as global citizens;
- To create a learner friendly environment;
- To make learning a joyful and fruitful experience, and
- To foster scientific skills and academic excellence.

#### CORE VALUES

- Pursuit of Excellence through Education
- Social Responsibility and Civic Awareness
- Honest and Moral Uprightness
- Empowerment through Education
- Respect for Life and Creation
- Academic Excellence
- Continuous Improvement in Education
- Institution Awareness and Practicability
- Value and Outcome Based Education
- Inspiring Campus Environment

## 1.2 The Aim of Academic Audit

The Academic Audit shows the mirror image of the institution in view of the other-institute's academician. It also reflects the comparative study of the academic performance, basic infrastructure development and outcome-based achievements. It also indicates the way of fulfillment of its vision and mission, in the sense of the social responsibility of the institute, for which it was established. Keeping in mind, the Vision and Mission, the institute, it decided to for the Academic Audit analysis through a SWOC (Strength, Weakness, Opportunity and Challenges) to find out the scope of future improvement.

## 1.3 Audit Committee

The college constituted the following committee for Academic Audit, It has two part- The internal committee and the External Audit committee, as follows:

### 1.3.1 Internal Audit Committee

- (i) Dr. Sadhna Rahatgaonkar- Coordinator, IQAC, Chairman
- (ii) Dr. R. K. Verma- Science Faculty
- (iii) Sri Shailesh Kumar Mishra- Arts Faculty
- (iv) Dr. Gaurav Sharma- Commerce Faculty

### 1.3.2 External Audit Committee

- (i) Prof. Neeta Kumbhare, Convenor, External Audit Committee, For-Arts Faculty
- (ii) Dr. A. K. Tiwari, Member, External Audit Committee, For- Faculty of Science
- (iii) Dr. Chetana Soni, Member, External Audit Committee, For- Faculty of Commerce

## 2. ABOUT AUDIT

### 2.1 Audit Introduction

The Principal, Dr. Shobha Srivastav, at a preliminary stage organized a meeting with the faculty member of the institute to appreciate the broad objectives and need to conduct the academic audit as an independent assessment of the college. Accordingly, the audit team was formed. And therefore, the audit team decided to determine into the prevailing situation of the college along the following aspects:

### 2.2 Scope

- Curricular development and new approach on teaching and learning methods (if any)
- Co-curricular activities organized by the departments.
- Extra-curricular activities organized by the institution with the help of YRC (Youth Red Cross), Eco-club, NSS units and , various cells.
- Examination and Evaluation Assessment system.
- Library and Sport Department.
- Functioning of the Laboratories and Computer facilities,
- Activities of the Internal Quality Assurance Cell (IQAC).
- Opportunities and scope of improvements in the major functional areas.

The team is empowered and expected to give comments and suggestions for the improvement of the functioning to be followed by the College.

## 2.3 Methodology

The internal audit Committee observe the information/Data from the convenor of different departments, activities, cells, and committees. Keeping in view, these information/Data, the audit committee has analysed the note-down certain views, observations, and recommendations in this report. The audit committee hopes that these recommendations, when implemented, will serve better for the interest of the College.

## 3. BRIEF PROFILE OF THE COLLEGE

The college encourages students to participate in the workshop, literary and cultural activities and programs. It also motivates students to participate in social and outreach programmes. The NSS, YRC, SVEEP, Eco-club and Sports departments are very active and the students take part in many competitions/ programs organized either by the College, or by University or States. Further, the institute focus on organizing programmes on cross-cutting issues related to the syllabus. Following is the list of events and activities, in which the student participated as co-curricular, extra-curricular and outreach programmes. Important Days and occasion are also celebrated. The publication of college magazine, namely **Mansi** is published yearly, which reflects the activities of Departments and Students. The institution conducts two activities namely **Vidyadan Yojna** and **Health awareness practices** as a best-practices. The institute organized seven Value-Added Courses, and classes for preparation of competition exams. with the help of existing teachers. This is appreciable as an example of maximum utilization of available human-resources. On the other hand, the academic strength strengthened by sanctioning 10 new posts of Assistant Professors (two each in English, Chemistry, Botany, Zoology, and one each in Geography and Mathematics) and 04 new posts of Professors (English, Chemistry, Botany and Zoology). Similarly, three self-financing courses were undertaken by the Government on the basis of successful running, students enrollment and result-oriented performance of the related Departments.

## 4. INSTITUTIONAL DATA AT A GLANCE

### 4.1- Different Department

Faculty	Departments	Year of Starting	Courses available
Arts	Department of Sociology	15.12.1997	B.A., M.A.- in these subjects
	Department of Political Sci.	15.12.1997

## 5. OBSERVATIONS

### 5.1- Faculty and Department-wise Report

#### ➤ Science Faculty

1. New Program on B.Sc. (Physics, Mathematics, Geography) is introduced.
2. Infrastructure is good, and the classrooms are very well maintained.
3. New Laboratory for Chemistry and classrooms for other PG Departments are newly constructed.
4. Student's participation in all activities are good.
5. Departmental Library is functional for many PG classes.
6. Co-curricular activities are organized in their respective departments.
7. Value-Added Course must be conducted in all the Departments.
8. Extra-curricular activities are organized.
9. Project work, Assignment, and field work are given.
10. Inter-Departmental cooperation classes, participative learning classes and slow and advance learner classes are organized.

#### ➤ Arts Faculty

1. Value-Added Course are conducted in many Departments.
2. Student's participation in the co-curricular activity is good.
3. Infrastructure is good, and the classrooms are very well maintained.
4. Departmental Library is maintained in all PG (Arts Faculty).
5. Students of PG classes are given Project work as per Syllabus.
6. Certificates from suitable authority are submitted for doing the Project work.
7. Co-curricular programmes are organized.
8. Extra-curricular activities are organized, with the help of NSS and YRC.

#### ➤ Commerce Faculty

1. Much focus is given on Curricular.
2. University topper student appeared from this Department.
3. Value-Added Course is conducted.
4. Student's participation in the co-curricular activity is good.
5. Departmental Cooperation Classes are organized with Mathematics Department.
6. Co-curricular programmes are organized.
7. Departmental Library is existed for PG classes.
8. Project work is given to all PG students as per Syllabus.
9. Programmes on Research Methodology and Personality Development were organized.

#### ➤ Department of Sociology

1. All the Professors are learned and well qualified.
2. Research guide is available in the Department for study in PhD.
3. One Research Scholar Ms. Roshani Chandrakar completed her PhD.
4. Co-curricular activities are done very well.
5. Invited talk and Important days are celebrated.
6. Value-Added Course must be conducted in the Department.
7. Departmental Journal must be purchased in PG Department.
8. Projector must be available in the Department.
9. Project or field work are organized according to Syllabus. It must also be organized for all UG student as well.
10. Research project works are to be proposed.

➤ **Department of Political Science**

1. Co-curricular activities are done very well.
2. Invited talk and Important days are celebrated.
3. Value-Added Course must be conducted in the Departments.
4. Departmental Journal must be purchased in PG Department.
5. Projector must be available in the Department.
6. The research and development activities should be conducted.
7. Project or field work are organized according to Syllabus. It must be organized for all other student as well.

➤ **Department of Economics**

1. Lack of students in the PG Department.
2. Remedial Classes are organized.
3. Invited talk and Important days are celebrated.
4. Use of ICT must be included in the teaching-learning method.
5. Survey on Socio-Economic conditions of Rural must be organized to increase the Analytical thinking in students.
6. Programmes on Financial awareness may be conducted.
7. Co-curricular and Extra-curricular activities are organized with the help of NSS.

9. Projector must be available in the Department.

**Department of Geography**

1. Many Co-curricular activities have been organized.
2. Important days were organized.
3. Outreach program should be arranged.
4. Some extra-Curricular activities are organized.
5. Lack of students in the PG Department.
6. Projector is available and used regularly.
7. ICT is used regularly in teaching and learning.
8. Project or field work are given to all students of PG classes, as per Syllabus.

➤ **Department of Hindi**

1. This department has a self-financing Course in PG.
2. The enrolment of students should be increased.
3. Value-Added Course are conducted by the Department.
4. Some Co-curricular and Extra-curricular activities are organized.
5. Some Important days, based on literary and Culture are celebrated.
6. Project or field work must be given to all students of UG and PG classes.

➤ **Department of Chemistry**

1. Co-curricular activities are done very well. It must be diversified.
2. Invited talk and Important days are celebrated.
3. Value-Added Course must be organized in the Departments.
4. MoU, Excursion tour, Extra-curricular activities must be organized.
5. Project or field work must be given to all students of UG and PG classes to strengthen the subject knowledge.

➤ **Department of Botany**

1. Co-curricular activities are done.
2. Invited talk is organized.
3. Some lectures are organized under MoU.
4. Value-Added Course is completed in the Department.
5. Individual research work done is very appreciable.
6. The research and development activities should be conducted.
7. Project or field work must be given to all students of UG and PG classes to strengthen the

subject knowledge.

➤ **Department of Zoology**

1. Extra-curricular activities are organized through the YRC programmes.
2. Co-curricular activities are organized.
3. Value-Added Course has been completed successfully, by the Departments. The topic is relevant for health awareness in students.
4. Yearly Examination Results are very good and appreciable.
5. Excursion tour is organized.
6. Use of ICT is done in teaching and learning.
7. Programs for slow learner and advance learner are done.
8. Project or field work must be given to all students of UG and PG classes to strengthen the subject knowledge.

➤ **Department of Mathematics**

1. Research guide is available for study in PhD. So, the scope for future study is available.
2. Co-curricular activities are done very well.
3. Invited talk, online webinar, career guidance programs, etc. are organized.
4. Webinar on Future study, Employment and Career Guidance are organized.
5. Value-Added Course is organized in the Departments. Its topic is very relevant.
6. Program for slow learner and advance learner are done.
7. Extra-curricular activities are organized, and Important days were organized.
8. Project or field work must be given to all students of UG and PG classes to strengthen the subject knowledge.

➤ **Department of Physics**

1. Lack of faculty members in the Department.
2. Co-curricular activities may be enriched.
3. Invited talk and Important days must be celebrated.
4. Value-Added Course must be conducted in the Departments.
5. Extra-Curricular activities is not organized. It should be organized.
6. Projector work is given as per Syllabus of PG Department.
7. Use of ICT must be enriched in the teaching-learning method.
8. The research and development activities should be conducted.

➤ **Department of Computer/ PGDCA**

## 6. RECOMMENDATIONS

### 6.1 Science Faculty

1. More books must be supplied to all PG Departmental Library.
2. Departmental Specific Journal must be purchased in all the PG Departments.
3. Some classes should be arranged for NET/SET/GATE coaching.
4. The research and development activities should be conducted.

### 6.2 Arts Faculty

1. To improve the reasoning and analytical ability in UG students, Project work, field work, Social and Economic Survey, Participative learning classes etc. must be organized.
2. Some classes should be arranged for NET/SET/GATE coaching.
3. More books must be supplied to all PG Departmental Library.
4. Departmental Journal must be purchased in all PG Departments.
5. Research Projects are to be proposed.
6. Computer ability classes must be organized.

### 6.3 Commerce Faculty

1. Some classes should be arranged for NET/SET/GATE coaching.
2. More books must be supplied to all PG Departmental Library.
3. Departmental Journal must be purchased in all PG Departments.
4. The research and development activities should be conducted.
5. National Workshop, Seminar etc. is to be organized.

## 7 SWOC ANALYSIS

### STRENGTH

- The teaching staff members have the requisite qualifications.
- The institution has the ICT and other teaching-learning requisite resources.
- Social justice and gender parity.
- Adequate infrastructure.
- Extensive Community outreach programmes.
- Willingness of leadership for all-round continuous quality improvement.
- Dedicated and competent teaching faculty.
- Committed and supportive non-teaching staff.

### WEAKNESS

- The institution lacks good research and development facilities.
- The institution lacks good industry interface facility.
- High ratio of teacher and student.
- The institution lacks of sufficient teaching and non-teaching staff.
- Poor communication skill of students at the entry level.

### OPPORTUNITIES

- Higher education in the rural area
- The laboratories including the computer lab may be enriched.
- Initiation of skill-based courses
- More value-added course can be introduced to develop employability.
- Shortage of classrooms at the peak time of the college.

**CHALLENGES**

- The institution gets challenging competitions from the institutions of the nearby cities.
- Being a sub-divisional area, it faces problems.
- The internet facility is not good.
- Improvement in the rain water conservation and solid waste management system.

**8. CONCLUSION**

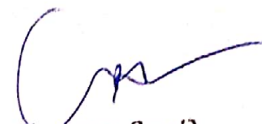

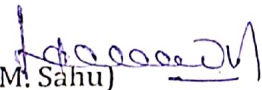

The teaching and non-teaching staffs are, in general, very competent. However, they do have work-load. Students discipline is good. The college stands out as a good institution for academic excellence.

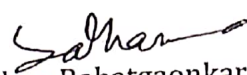

**9. GRATITUDE**

*The Academic Audit Committee feels honoured and has this opportunity to express sincere thanks and gratitude to the College authorities for being invited to conduct the Audit. The committee also thanks to all the faculty members and non-teaching staff for their cooperation.*
